

## World Sheep Shearing championship in Norway

New Zealand dominated when the 13th Golden Shears World Championships in sheep shearing was held in Bjerkrheim, Norway this weekend.

New Zealand won both the individual and team events in wool handling and machine shearing, taking home four of the six titles on offer.

Around 100 sheep shearers from a record 28 countries, including Australia, Montenegro, France, the United States and New Zealand, displayed their skills in the four-day competition.

This was the the first time ever the championship was held in a non-English speaking country.
